INTRODUCTION

MNACI BUILDER AWARDS 2025

The MNACI Builder Awards 2025 (MBA'25) is an initiative spearheaded by the Maldives National Association of Construction Industry (MNACI). This esteemed award program is designed to recognize service excellence and significant contributions made to the building and construction sector by contractors and service providers.

The gala award ceremony is scheduled to be held on Tuesday, 9th December, 2025.

MBA'25 aims to foster and elevate service standards across the Maldivian construction industry, presenting accolades across multiple categories and sectors. MNACI retains the exclusive rights to the MNACI Builder Awards 2025.

INTRODUCTION

MALDIVES NATIONAL ASSOCIATION OF CONSTRUCTION INDUSTRY (MNACI)

The Maldives National Association of Construction Industry (MNACI) is the principal representative body for the Maldivian building and construction commercial sector. Established in October 2001, MNACI serves as the collective voice for Developers, Builders, Contractors, Suppliers, and Service Providers.

Our core mission is twofold: to empower our members in fostering sustainable and successful business operations, and to guide their clients and partners toward selecting the optimal solutions for their construction projects.

WE HELP MEMBERS BY;

The Association is committed to raising industry standards by delivering expert guidance on complex issues such as sustainability, environmental stewardship, and site safety. Furthermore, we function as the industry's unified representative when liaising with the government, ensuring fair representation and policy outcomes. This commitment directly translates into increased confidence among clients, contractors, and investors in the professionalism and quality of our sector, which is fundamental to achieving our vision of progress driven by sector-wide trust.

CRITERIA

Judging Criteria & Eligibility

The MNACI Builder Awards 2025 judging criteria will be established by the judging panel, focusing on comprehensive technical and professional metrics. These detailed criteria will be communicated exclusively to nominees whose applications have been successfully confirmed. Please note that the size or scale of a service or company is not a factor in the nomination or voting process.

Participation Requirements

To be eligible for registration, participants must meet the following compulsory requirements:

- The entity must be actively operating within the Maldivian Building and Construction Industry.
- All service delivery must be executed within the Republic of Maldives.
- Active membership in the Maldives National Association of Construction Industry (MNACI) is mandatory for an application to be considered valid.

NOMINATIONS

Eligibility

All nominees (companies or individuals) must be actively operating within the Maldivian Building and Construction Industry.

Membership

The nominating entity (or the individual for Youth Leadership and Lifetime Achievement awards) must be an active member of the Maldives National Association of Construction Industry (MNACI).

Timeframe

Projects, products, or services cited for evidence must have been completed or significantly delivered between January, 2024, and November, 2025, unless specified otherwise in the category criteria.

Submission Format

All submissions must be submitted as PDF documents, clearly labelled with the Award Title and Company Name to the online submission form on **www.builderawardsmv.com**

Mandatory Documents (*varies as per award title*)

All submissions must include: MNACI Membership Certificate, Company Registration Certificate, Client Authorization Letter (for project-based categories), and Entrant Contact Details.

Additionally based on the award; Maldives Customs Service verification letter/document, Client testimonial letter(s), Other relevant documents, etc as defined in the criteria.
